BERKS JAZZ FEST EDUCATION

Dear Music Educator,

This video is intended as an introduction to jazz for young, beginning musicians. No pre or post discussion is necessary and you may show the video as is. If you'd prefer a more in depth lesson, here is a suggested lesson format. If you'd like to go even more in depth, additional resources are on separate pages, including information about each musician, the songs they performed, as well as links to additional jazz for kids resources.

Thank you to John Ernesto, Gerald Veasley, Boscov's Berks Jazz Fest, Berks Arts, Reading Musical Foundation, and to the musicians - Maria Marmarou, Curtis McCain, Kelly Powers, Gabriel Severn, and Andrew Neu - for making this project possible!

You may access the video at getJazzedberks.com.

Thank you for using this video and for supporting the getJazzed program!

Sincerely,
Lindsay Evans, Author
Mike Eben, getJazzed Chair
Millie Eben, getJazzed Administrator
